|--------------------------------|------------------------|---|
| <b>Server Operating System</b> | Windows Server 2019    | <p>Windows Server 2019 is certainly the most fully-featured Windows Server operating system to date and provides the best Windows Server operating system for cloud solutions and provides the best integration with Azure.</p> <ul style="list-style-type: none"> <li>Storage Migration Service</li> <li>System Insights</li> <li>Azure Network Adapter</li> <li>Better Storage Spaces Direct</li> <li>Better Storage Replica</li> <li>Deduplication for ReFS</li> <li>Enhanced Cloud Witness</li> <li>Cluster-wide Monitoring</li> <li>Cluster sets</li> <li>Persistent Memory</li> <li>Virtual Network Peering</li> <li>Improved SDN gateway</li> <li>Precision Time Protocol including Leap Second</li> <li>Latency Optimized Background Transport (LEDBAT)</li> <li>Improved SDN</li> <li>Shielded VMs for Linux</li> <li>HGS Offline Mode for Shielded VMs</li> <li>HGS Secure Connect</li> <li>Enhanced Windows Defender Advanced Threat Protection (ATP)</li> </ul> |
| <b>Switch Technology</b>       | Netgear GS108          | NETGEAR high-end Fully Managed Switches offer a secure, future-proof networking infrastructure—with integrated security, high availability, delivery optimization and enhanced manageability, designed for enterprise and campus networks.  |
| <b>All-inOne Printers</b>      | Kyocera Ecosys P3155dn | Reduced costs. Less environmental impact. More security. Increased employee productivity and satisfaction.  |
| <b>VOIP Telephone</b>          | Yealink T19P-1         | SIP-IP phones from Yealink are certified to work with many of VoIP Supply's top partners. Moreover, Yealink has a line of Skype for Business Certified phones as well as Microsoft Teams Certified IP Phones.   |

|                         |                                 |  |
|-------------------------|---------------------------------|--|
|                         |                                 | <p>Yealink phones are feature rich but also budget conscious so you can afford to mass deploy them.</p> <p>Desk phones come in multiple configurations and most include a dual Ethernet port switch. Phones are easy to deploy and configure, including mass deployment support, auto firmware upgrade and configuration, and a web interface for local/manual configuration.</p>  |
| <b>Routers</b>          | Asus<br>RT-AX88U                | <p>Next-Gen WiFi Standard - 802.11ax WiFi standard for better efficiency and throughput.</p> <p>Next-Gen WiFi Standard - 802.11ax WiFi standard for better efficiency and throughput.</p> <p>Next-Gen WiFi Standard - 802.11ax WiFi standard for better efficiency and throughput.</p> <p>Commercial-grade Security - AiProtection, powered by Trend Micro™, blocks internet security threats for all your connected smart devices.</p> <p>Better Partner with Mesh System - Compatible with ASUS AiMesh WiFi system for seamless whole-home coverage.</p>   |
| <b>Cloud Server</b>     | Kamatera                        | <p>Cloud servers usually get activated in 2-5 minutes and come with an instant Upscaling and downscaling, 99.5% uptime guaranteed, no hardware Maintenance, low cost of ownership and unbeatable pricing. As Kamatera is already in the market since years and has the vast level of experience in cloud servers. Their unbeatable pricing and highest performance cloud servers are for everyone.</p> <p>Kamatera performance cloud offers add-on managed services for your cloud servers. So you can completely enjoy high-performance cloud servers and your application on it. Kamatera will do complete management on the cloud infrastructure for you.</p> |
| <b>Laptop Computers</b> | Lenovo<br>ThinkPad X1<br>Carbon | <p>Lenovo's business laptops are world-class, with strong build quality, solid security and extensive manageability options. The company was named the best laptop brand by our sister site Laptop Mag, for the second year in a row. The rating comes in part from the Lenovo Thinkpad X1 Carbon, which was the only laptop in the last year to earn itself a perfect 5-star review. But with so many models to choose from, picking the right laptop from Lenovo's ThinkPad line isn't easy.</p>   |
